Our Approach

In one word:

INTERSECTIONALITY

**“Together we stand, for the rights of
all”**

We aim at boosting efforts by intertwining the work on different thematic areas:

- fighting against racism and xenophobia;
- battling against every form of discrimination based on gender or gender identity;
- changing the public opinion perception on immigration;
- expanding the definition of citizenship;
- overcoming prejudices against Roma, Sinti, and traveller people;
- creating a criminal justice system that is more respectful of fundamental rights;
- advocating for transparency in the public administration and fighting against corruption;
- extending human rights and civil liberties beyond traditional boundaries

We do so:

→ By acting independently

→ Supporting and empowering civil society groups that are part of our Coalition
